Positive Behaviour for Learning Values at TEPS

Parent communication and consistency is something we are focused on at the moment. Have you considered discussing our PBL School Values (Rules) with your children and using them at home? This could help your children learn what our values mean and help ensure we are giving a consistent message. After all, being safe, respectful and focused on learning is important for all of us.

Our PBL School Values

Be Safe

Be Respectful

Be A Learner

Principal's Message

I am looking forward to a very busy last week ahead. There are a lot of great things planned and happening at Toongabbie East PS.

Parent / Teacher Interviews and PLP Meetings

I believe that parents and carers know their children best and that it is critical that we work closely with you to ensure we provide your children with the best education experience possible. If you haven't been able to book in a time to meet with your child's teacher please phone the school office and request a time. The teachers are looking forward to meeting with you sharing your child's successes and possible areas of improvement. If you don't have time to come to the school you can also request that the teachers phone you to discuss your child's progress.

P&C Meeting

Please attend the next P&C meeting this Friday 6th July 9:30am at the school. The P&C and the school would appreciate your support.

P&C Cup Cake Stall

The P&C Cup Cake Stall was an excellent success! \$262.70 profit was made from the stall, which is a big amount considering the small number of students here at TEPS. I enjoyed a cup cake as well and rated it very highly! Thank you to the P&C for the efforts and all of the parents and carers who donated and supported this event.

Athletics Carnival

I am excited about the upcoming Athletics Carnival to held this Thursday 5th July here at Toongabbie East PS. Please come along and enjoy the fun and stay for aBBQ lunch at the end of the carnival at about 12:30pm.
