Our PBL School Rules

Be Safe

Be Respectful

Be A Learner

Positive Behaviour for Learning (PBL) Update

Our staff did additional PBL training on our staff development day and we have some great ideas that we will be working on to ensure all students understand our school rules and expectations.

As we put our plans and ideas together we will seeking to share these with you and get your feedback. As a part of this we will be reviewing the schools reward system and expectations matrix.

Staffing Changes

I am pleased to inform you that we have employed Miss Shannon Reinhard to teach 1/2 Paterson. She has great experience and I'm sure will be a great asset to 1/2 Paterson and our school. The students are already responding to her really well.

We also welcomed Mrs Adele Koulouris our new Instructional Leader as part of the Early Action for Success program. I look forward to seeing the great work she will be doing with our staff and students.
